Day 1 USA → Guiyang, China

Day 2 Arrival in Guiyang – Check-in at hotel

Day 3 Guiyang – Anshun : Huangguoshu Waterfall Scenic Area 、 Shuilian Cave 、 Steep slope pond waterfall

- Huangguoshu Scenic Area: The tour began to be famous in Xu Xiake, known as the largest waterfall in Asia, [Huangguoshu Waterfall] did not see its body, first heard its voice, there is a 134-meter-long water curtain hole behind the cloth to cross the waterfall, go to the cave to connect the water of the waterfall, you can bring wealth and luck home. It is the only waterfall in the world that can be viewed from six directions: top, bottom, front, back, left, and right.
- Visit the widest waterfall group [Steep Slope Pond Waterfall] Shuilian Cave: Enter the cave from the tour path, put yourself in it, the water curtain overflows the top, through the water curtain hole, and the most amazing thing is to see the rainbow of the rhinoceros pool from the various hole windows of the water curtain cave.

【Tips】 : It is recommended to bring rain gear to visit Huangguoshu Waterfall, and the raincoat effect is better. The scenic area is relatively slippery, please wear non-slip shoes.

Breakfast: Hotel|Lunch: Dustpan Banquet|Dinner: Guizhou Cuisine

Hotel: Baillian Hot Spring Hotel or similar

Day 4 Anshun–Kaili: Huangguoshu Waterfall Scenic Area, Tianxing Bridge Scenic Area

- Visit the [Tianxing Bridge Scenic Area], which is known as the water stone forest and natural bonsai, and the huge rocks are scattered on the shallow water river beach at will, overlooking from the sky, like a sky full of stars. Walk through the cracks of the stones, wait for the sun to pass through this stone forest, and enjoy the art of dappled light and shadow. The stalagmites in the scenic spot are dense, the vegetation is luxuriant, it integrates the mountain, the water, the forest and the cave, and is praised by the visitors as "the ten thousand pouring bonsai carved by the wind knife and water sword".

Breakfast: Hotel|Lunch: Farmer's Banquet|Dinner: MiaoJia Style

Hotel: Wyndham Yuhao Hotel or similar

Day 5 Kaili: Xijiang Thousand Miao Village + Battery Car, Langde Miao Village

- Xijiang Thousand Miao Village: The title of the world's largest Miao natural village. Most of the houses here are wooden stilted buildings, made of maple wood, which stretch out on both sides according to the mountain, and the dark red maple plank walls are golden in the setting sun. When entering Miao Village, men, women and children welcome you in national costumes, and warmly serve roadblock wine to welcome you.
- Langde Miao Village: It has the original Miao customs, distinctive stilted buildings, charming Miao songs and dances and gorgeous Miao silver ornaments, and is known as "one hundred open-air museums in the country". The people here are simple, indisputable, simple, primitive and quiet, which is a paradise for many photography enthusiasts and a peach blossom source that modern urbanites yearn for.

Breakfast: Hotel|Lunch: Long Table Banquet|Dinner: Sour Soup

Hotel: Wyndham Yuhao Hotel or similar

Day 6 Kaili – Libo: Small Seven Holes Scenic Area + Battery Car

- Small Seven Holes: Go to the small seven holes of Libo National AAAAA Scenic Area in southern Qiannan, which is praised by UNESCO as "the last emerald at the same latitude on the earth", known as "super bonsai", integrating mountains, water, holes, forests, lakes, waterfalls, etc., in the canyon less than 2 kilometers long, there are 68 waterfalls, flowing down and rushing away.
- Raya Waterfall is delicate and intoxicating, with water droplets flying; The water forest, which is less than 600 meters long, is rooted on the wrong stones, and the clear water washes the bluestones.

Breakfast: Hotel|Lunch: Peacock Banquet|Dinner: Taste of the Family

Hotel: Ruijing Hotel or similar

Day 7 Libo – Guiyang: Big Seven Holes Scenic Area

- Libo Big Seven Holes Scenic Area is located in the Libo Scenic Area, named after a seven-hole bridge on the Mengtang River. The main attractions of the Big Seven Holes are the karst canyon and the Tiansheng Bridge, and there is a lot of fun to explore. You can take a boat rafting here and admire the cliffs rising on both sides. The cliff is attached to the stalactites and layers of green forests, like a colorful oil painting.
